DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submissions filed on 3 May 2012 have been entered.

Allowable Subject Matter

2. Claims 6-8, 10-12, 14-17, 19-21, 23, 26 and 27 are allowed.
3. The following is an examiner's statement of reasons for allowance: These claims have previously been allowed seven times, most recently in an Office action mailed 3 February 2012. Applicant vacated that allowance by filing an RCE with IDS, which has been considered. The claims (as made of record 6 January 2010) are still allowable for the reasons given in the Office actions mailed 25 June 2010, 8 October 2009 and 27 June 2005.
4. It is noted for applicant's benefit that only two of the 12 documents cited on the 3 May 2012 IDS are prior art. These references (Saulpaugh et al. and Peacock) deal with electronic device addressing. They appear to have very little relevance to the instant application.
5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to DONALD CHAMPAGNE whose telephone number is 571-272-6717. The examiner can normally be reached on Monday to Wednesday and Friday. The examiner can also be contacted by e-mail at donald.champagne@uspto.gov, and *informal*

fax communications (i.e., communications not to be made of record) may be sent directly to the examiner at 571-273-6717.

7. Expedited consideration of continuing applications of an allowed application –

Applicant can get expedited consideration with the possibility of immediate allowance for a continuing (continuation or divisional) application of the instant case by filing claims such that the examiner "is satisfied that [the application] is in condition for allowance" (MPEP § 708.01). That essentially means the examiner does not have to do a *de novo* search and no rejection is possible other than for minor formalities or obviousness double patenting. Applicant is welcome to submit proposed claims informally to the examiner for review to determine if the continuing application would qualify for expedited consideration.

8. The examiner's supervisor, John Weiss, can be reached on 571-272-6812. The fax phone number for all *formal* fax communications is 571-273-8300.
9. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
